ARS Acid Replacement System

#8346
(RTU)

#8347
(Concentrate)

#8763
(24 oz. RTU)

Description:

ARS works like an acid with the safety of a dish soap. ARS is a Powerful and Completely Safe Acid Replacement Cleaning System. It replaces acid and acid blend products to take care of a large variety of cleaning and maintenance problems. ARS Ready-To-Use is a viscous liquid that clings to the surface to be cleaned. This increases dwell time and allows for cleaning of slanted and vertical surfaces. ARS is very safe and easy to use. It is not hazardous, corrosive, or toxic.

Performance:

- Acid power to remove calcium build-up and rust
- Quickly removes soap scum & mineral deposits

Safety:

- No Fumes • User and Surface Friendly • Free of Harmful & Hazardous Chemicals
- Non-Toxic • Non-Corrosive • 100% biodegradable

Recommended Uses:

Removes Rust, calcium deposits, soap scum, lime build-up, mildew stains, grease, and other difficult soils. Can be used on Aluminum, Stainless Steel, Copper, Fiberglass, Glass, Tile, Concrete, Masonry, Porcelain, Grout

Applications:

Bowl Cleaner, Urinal Cleaner, Tub & Tile Cleaner, Pool & Spa Cleaner, Grout Cleaner, Calcium & Lime Remover, Soap Scum Remover, Descaler for Pressure Washers, Stainless Steel Cleaner, Metal Cleaner, Car Wash Bay Cleaner, Hard Water Spot Remover, Concrete & Masonry Cleaner, Concrete Truck/Equipment Cleaner, Efflorescence Remover, Concrete Preparation Agent, Food/Dairy/Brewery Plant and Equipment Cleaner, Boat Hull/Fiberglass Cleaner. Safely replaces these acid and acid blend cleaners: Hydrochloric, Phosphoric, Nitric, Sulfamic, Oxalic, etc.

Packaging:

Concentrate and Ready-To-Use,
24 oz, Quart, Gallon, 5 Gallon Pail, 55 Gallon Drum

Directions:

Wipe or spray ARS on the surface to be cleaned or treated. Let stand a few minutes. For stubborn or heavy build-up, agitate with brush or sponge. Wipe with cloth or swab. Rinse well.

Cost Effective:

- Labor Saving – Works quickly, easily • No Labor Dollars Spent on special handling, set up or hazardous gear • Dilutable from concentrate or Ready to Use formulas • One Product does the job of many • No Hazardous waste disposal fees • Ships DOT unregulated – No special shipping or handling charges • No VOC's

User and Environmentally Responsible:

Safe to use. HMIS codes: Health – 0, Fire – 0, Reactivity – 1, Personal Protection – 0
