

NON-CHLORINATED • NON-CFC

A high performance, fast evaporating, non-flammable replacement for chlorinated and chlorofluorinated solvents. An excellent electrical contact cleaner and degreaser that dries quickly and is residue free. Quickly removes grease, grime, wax and oil. High dielectric strength and non-flammability makes the degreaser safe for use on motors, relays, switches, generators and control panels.

Energized equipment use only. Not to be used for motorized vehicle maintenance, or their parts.

USE ON: Industrial Equipment, Automotive Parts, Diesel Engines, Marine Equipment, Aircraft Parts, Heating and Air Conditioning Equipment, Refrigeration Equipment, Generators, Motors, Windings, Power Tools and Processing Equipment.

DIRECTIONS:

Spray parts thoroughly holding actuator close to surface. Use extension tube for hard to reach areas. Use only in well ventilated areas. For heavily encrusted areas, brush, then rinse off with a second application.

CAUTION: Contains 1-Bromopropane (106-94-5), Carbon Dioxide Propellant (124-38-9), 1,3-Dioxolane (646-06-0) and 1,2-Butylene Oxide (106-88-7). Use only in a well ventilated area with a constant supply of fresh air. Avoid breathing vapors or spray mist. Excessive inhalation of vapors may cause nasal and respiratory irritation and central nervous system effects including dizziness, nausea and headaches. In confined or poorly ventilated areas, vapors can cause unconsciousness or death. If you experience eye watering, headaches or dizziness, increase air flow, wear respiratory protection or leave the area. Avoid eye contact and excessive skin contact. Do not use near heat, sparks or open flame. Do not expose to heat or store at temperatures above 120°F. Do not puncture or incinerate container.

For further information consult Material Safety Data Sheet.

KEEP OUT OF REACH OF CHILDREN

FIRST AID: IF EYE CONTACT: Flush with large amounts of cool running water for at least 15 minutes while holding upper and lower lids open. If irritation persists get medical attention immediately.
IF SKIN CONTACT: Wash with soap and water. If irritation persists seek medical attention.
EXCESSIVE INHALATION: Remove to fresh air. Seek medical attention immediately. If breathing stops give artificial respiration.
IF INGESTED: Do not induce vomiting. Seek medical attention immediately.

WARNING: This product contains chemicals known to the State of California to cause cancer, birth defects, or other reproductive harm.

SAFETY SOLVENT DEGREASER

N-PROPYL BROMIDE-BASED
55518

For Use On Energized Electrical Equipment

Contains No Chlorinated Solvents

Non-Flammable

Fast Drying

Residue Free

26,800 Volt Dielectric Strength

CAUTION: VAPOR HARMFUL.
CONTENTS UNDER PRESSURE.
SEE OTHER CAUTIONS ON BACK PANEL.

NET WT. 18 OZ. (1 LB. 2 OZ.) (510 Grams)
