CITRA SAFE

Oven Cleaner

REMOVES:

- **Baked On Grease, Grime and Carbonized Food From Ovens, Stoves, Grills, Barbecues, Hoods and Kitchen Equipment Exteriors**

A simple, safe one step solution to removing baked on grease, grime and carbonized food from ovens, grills, barbecues and hoods. Sprays as a heavy foam that clings to vertical surfaces and extends cleaning time. Powerful cleaning agents quickly dissolve and break the bond of baked-on, carbonized soil. Cleans without scrubbing, scraping or scouring. Pleasant citrus aroma helps eliminate harsh chemical fumes.
