

LEATHER CLEANER & CONDITIONER

Leather Cleaner and Conditioner is especially formulated with carefully selected emollients, humectants, proteins, surfactants, and conditioners in just the right proportion to effectively clean, condition and preserve the strength, beauty, and resiliency of both new and old leathers.

The best product on the market for cleaning and conditioning all types of non-suede leather and vinyl including: Auto Interiors, Couches, Sofas, Chairs and Seats, Brief Cases, Golf Bags, Shoes, and Grips, Jackets, Boots, Spa Covers, Baseball / Softball Gloves and more!

Leather Cleaner and Conditioner is a water repellent treatment that helps prevent salt stains and water spotting. Won't darken the leather or become tacky or sticky. Safe on dyed leather surfaces. Dispenses in a thick, rich, mousse-like foam consistency that makes for easy application. Removes most ball point pen marks. Won't bleed onto clothing from treated surfaces. Imparts a fresh leather fragrance to the area where used. No unpleasant odor associated with many other leather cleaner conditioners. Contains no silicone or heavy waxes that can damage stitching or become slippery. Ideal for use on exotic and fine leathers.

USE ON: Auto Interiors, Furniture, Counters, Trucks, Vans, Boats, Motorcycles, RV's, Airplanes and much much more!

Just wipe on and buff off!

DIRECTIONS:

As with all leather care products, test a small inconspicuous area first. Spray a small amount of foam mousse onto soft cloth or rag. Apply in a circular motion. Allow to dry, and buff lightly. Do not use on suede.

MADE IN THE U.S.A.

CAUTION: Contains Food Grade Mineral Oil (8042-47-5), Aliphatic Mineral Spirits (64741-65-7) and Liquefied Petroleum Gas (68476-95-7). Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F.
