MADE IN THE U.S.A.

Designed and manufactured in an environmentally conscious manner from materials that are biodegradable, toxin free, petroleum distillate free, VOC compliant and contain no ozone depleters.

Formulated for continuous cleaning, the powerful spray generates thick foam that removes dirt, lint and grease from air conditioner and heater coil fins. No rinsing required on evaporator coil or other surface where condensation causes rinsing action. Bio-Enzymatic action causes breakdown of organic odors and blockages which help keep drip pan clean and drain line free flowing. Water-based foam creates no harsh vapors. Clean, Fresh scent is carried throughout air handling system. Clean Coils improves system efficiency and reduce energy consumption.

USE ON:

Roof Heating and Cooling Units, Wall and Window Units, Refrigerators, Freezers, Dryers, Ice Machines and Ventilators.

DIRECTIONS:

Before using, turn off power. Protect all electrical equipment and parts with plastic or aluminum wrap. Spray area thoroughly with penetrating and holding foam. Foam breakdown and dirt absorption indicates when surface may be flushed clean, if desired. For stubborn build-up, a repeat application may be necessary. Can also be sprayed directly into drip pans and drain lines.

NOTE: Initial cleaning of heavily soiled areas may require the use of more aggressive products prior to implementing the regular use of these safer alternatives.

CAUTION:

Contains Liquefied Petroleum Gas (68476-86-8). Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F.

FIRST AID:

IF EYE CONTACT: Flush with large amounts of cool running water for at least 15 minutes while holding upper and lower lids open. If irritation persists get medical attention immediately.

EXCESSIVE SKIN EXPOSURE: Wash with soap and water. If irritation persists seek medical attention.

EXCESSIVE INHALATION: Remove to fresh air. Seek medical attention immediately. If breathing stops give artificial respiration.

IF INGESTED: Do not induce vomiting. Seek medical attention immediately.

HMIS RATING: Health, 1; Flammability, 0; Reactivity, 0; Personal Protection, B.

KEEP OUT OF REACH OF CHILDREN
