MADE IN THE USA

Designed and manufactured in an environmentally conscious manner from materials that are biodegradable, toxin free, petroleum distillate free, VOC compliant and contain no ozone depletors.

CONTAINS NATURAL INGREDIENTS THAT ARE:
NON-HAZARDOUS • NON-POLLUTING
NON-TOXIC • NON-FLAMMABLE
BIODEGRADABLE • LOW-VOC's
No Petroleum Solvents - No Phosphates
No Butyl Cellosolve - No Glycol Ethers

Light duty foam cleaner and degreaser for all hard surfaces such as: walls, doors, counter tops, fixtures, tile, glass, mirrors and cabinets. Works on porous surfaces to both clean & penetrate with enzyme producing bacteria to digest organic stains & odors from carpet and upholstery. Pleasantly deodorizes as the natural biological action destroys organic wastes without acids or caustics. An all natural, bio-chemical formulation for cleaning and deodorizing any water-safe surface. Contains live bacteria plus enzymes which liquefy and digest organic waste and eliminate stains and odors at the source. Quickly removes mold, fungus and mildew stains. Functions on contact to clean and deodorize, then extends cleaning time as the active bacteria multiply and continue to reduce organic matter, grease and food by-products. Provides a safe, natural solution to cleaning and deodorizing without hazards to personnel or the risk of chemical pollution.

DIRECTIONS: Special valve allows can to be sprayed when held in any position. Shake well. Spray on cloth, sponge or directly on surface. Wipe area clean. For difficult to remove stains from mold, fungus, mildew or persistent odors, allow foam to remain on surface for several minutes before wiping away.

CAUTION: Contains Liquefied Petroleum Gas (68476-86-8). Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F.

FIRST AID:

IF EYE CONTACT: Flush with large amounts of cool running water for at least 15 minutes while holding upper and lower lids open. If irritation persists get medical attention immediately.

EXCESSIVE SKIN EXPOSURE: Wash with soap and water. If irritation persists seek medical attention.

EXCESSIVE INHALATION: Remove to fresh air. Seek medical attention immediately. If breathing stops give artificial respiration.

IF INGESTED: Do not induce vomiting. Seek medical attention immediately.

HMS RATING: Health, 1; Flammability, 0; Reactivity, 0; Personal Protection, B.

KEEP OUT OF REACH OF CHILDREN
