Description

This product is a blend of citrus and oxygenated solvents with biodegradable surfactants, creating a powerful ready-to-use water-based general purpose cleaner that can be used to remove grease, grime, oil and other soils from just about anything you need to clean. The pleasant smelling formula deodorizes as well as cleans making it an ideal spray-and-wipe solution as well as a superior problem-solver for soaking applications. Safe for use on practically any washable surface, including many plastics, painted surfaces and laminates. Simply spray, wipe, mop or soak the surface or objects being cleaned, then wipe soils away. Requires little to no rinsing. Non-abrasive.
