

terand-24306 05/27/08 CZ

USED IN:

**Schools, Theatres, Casinos, Auditoriums, Hotels,
Lobbies, Churches, etc.**

A quick freezing chewing gum and candle wax remover which can be used safely under seating and tables, on carpets, tile, terrazzo, marble and wood. Will not soften tile or carpet backing.

DIRECTIONS:

Insert the extension tube into the valve tip. Direct the tube at the point of adhesion between the gum and the surface. When the tube is within 1" from the gum, spray until frost appears. In most cases the gum will fall off by itself. In stubborn, dried on cases, slightly prodding with a screwdriver or putty knife may be needed. Leaves no mark or stain on the surface.

**MADE IN THE
U.S.A.**

DANGER: Contains Liquefied Petroleum Gas (68476-86-8), a flammable propellant. Use only in a well ventilated area. Do not use near heat, sparks, open flame or other sources of ignition. Avoid contact with skin and eyes. Contents in contact with skin can cause frostbite. If blistering occurs, seek medical attention immediately. Contents under pressure. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F.

FIRST AID: IF EYE CONTACT: Flush with large amounts of running water for at least 15 minutes while holding upper and lower lids open. Get medical attention immediately. **IF SKIN CONTACT:** Gradually warm affected areas. If tissue damage is evident, get medical attention immediately. Flush area with large amounts of water. **EXCESSIVE INHALATION:** Remove to fresh air. If breathing stops give artificial respiration and seek medical attention immediately. **IF INGESTED:** Do not induce vomiting. Seek medical attention immediately.
