

## VANDALISM MARK REMOVER

A thick, powerful gel provides extended contact time by clinging to vertical surfaces and dissolving vandalism marks quickly. Removes marks from baked enamel, oil-based painted surfaces, metal, tile, concrete, brick, stone, masonry and ceramic materials. Erases marks from crayon, marker pens, ballpoint inks, spray paint, shoe polish, adhesives, lipstick, masking tape and duct tape.

**NOTE:** Pretest before use. When used excessively, this product may soften some plastic, paint or asphalt tile. Before using, pretest questionable surfaces in an inconspicuous area.

### DIRECTIONS: SHAKE WELL BEFORE USING.

Spray directly onto mark from a distance of at least 8 inches. Allow gel to work on mark for several minutes. Wipe off with a cloth or flush off with a strong water spray. Repeat if necessary.

**FOR POROUS SURFACES:** First, spray porous surface with water to fill pores. Shake can and spray surface from a distance of at least 8 inches. Flush with a strong stream of water. For stubborn marks, use a stiff brush to agitate area before water flush. Repeat if necessary.

MADE IN THE  
U.S.A.

**DANGER:** Contains Toluene (108-88-3), Liquefied Petroleum Gas (68476-86-8), Diacetone Alcohol (123-42-2) and Isopropyl Alcohol (67-63-0). May irritate eyes, skin, and respiratory passages. Use only in a well ventilated area. Avoid contact with eyes or prolonged contact with skin. Do not use heat, sparks, or open flame. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F. **WARNING:** This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

For further information consult  
Material Safety Data Sheet.

**KEEP OUT OF REACH  
OF CHILDREN**
