### Features

- Multipurpose Restroom Cleaner
- 20% Phosphoric Acid RTU Tile & Grout Cleaner
- Dissolves Hard Water Scale, Lime & Rust Stains
- Cleans Toilets & Urinals
- Safe for Porcelain, Grout, Tile

### Description

This high performance bowl cleaner is ideal for when hydrochloric acid cleaners are too strong and non-acid cleaners just won't get the job done. The food grade phosphoric acid cleans and brightens bowls, urinals, porcelain and tile, as well as brass, chrome, bronze, copper, fiberglass, stainless steel, and more. It can be used in toilets, baths, showers, pool and spa areas, and even kitchens on soiled coffee urns, steam tables, and drinking fountains. The thick viscosity formula clings to vertical and horizontal surfaces for maximum dwell time in a bowl cleaner. The high concentration allows for easy removal of scale, lime, rust, and stains. In addition, the pleasant fragrance makes it easy to use and offers deodorizing as well as cleaning ability.

TECHNICAL INFO:		
Physical Properties	Appearance	Hazy
	Color	Blue-Green
	Odor/Fragrance	Mint
	pH	< 2.0
	Freeze/Thaw Stability	Good
Environmental Profile	Glycol Ether Content	Yes (E Series)
	Biodegradability	No
	Chlorinated Solvents	None
	Green Status	None
	Recyclable Packaging	Yes
Regulatory Compliance	% VOC By Weight	< 1.0
	VOC Restricted Regions	None
	Food Processing Suitability	N/A
	EPA #	N/A
	Flammability per CPSC	N/A
	Flash Point	None to Boiling
