## A complete line of maintenance products for the Heating, Ventilation and Air Conditioning industry

### 18919 Cleaner Degreaser - Foaming

Versatile all-purpose cleaner and degreaser cuts through greasy soils quickly and effectively. Ideal solution for all cleaning and degreasing applications, including industrial machinery, auto engines, tires, rims, and wheels, concrete – almost any surface not affected by water.

### 27418 Coil Cleaner with Foaming Action

Portable, non-acid, foam cleaner that blasts deep into air conditioner, heater, refrigeration, and dryer coils to loosen and remove grease, dirt, lint, and grime. Contains bio-enzymes for continuous cleaning and breakdown of organic coil contaminants. Helps maintain clean drip pans and drain lines. Non-rinsing formula helps maintain optimum unit efficiency. Disperses clean fragrance throughout room.

### 64114 Convector Pan Sealant

A non-chlorinated, rubberized, flexible spray-on coating designed to seal out rust and corrosion while repairing leaks in metal or plastic condensation drain pans.

### 55815 Solvent Degreaser Soy-Based

Soy-based, high powered cleaner and degreaser for electrical and mechanical equipment and metal parts. Cleaning action penetrates, dissolves, and lifts away grime and grease. Controlled evaporation with extended contact time for increased cleaning power. Non-corrosive and plastic safe. Contains no chlorinated or aromatic solvents, citrus terpenes, petroleum distillates, or water. Leaves no residue when rinsed with water.

### 65514 Air Conditioner Filter Dressing

A unique aerosol spray which helps improve the efficiency of washable heating and air conditioning filters. Attracts and collects dust, lint, pollen and other air contaminants. Washes clean with regular A/C maintenance. Pleasantly scented.

### 47116 Heavy Duty Industrial Foam Degreaser 2

A unique aerosol foam which enables simple and easy degreasing of engines, tools, parts, workbenches, vent covers, machinery, coils, industrial equipment, concrete and more! Sprays as an engulfing, heavy-duty foam that clings to surfaces and provides extended degreasing contact time. Features a self-indicating foam which quickly breaks down grease and grime and becomes discolored, indicating grease and grime are ready to be flushed away.

### 77015 Cold Pipe Insulation

White aerosol insulating sealant that prevents condensation and sweating on cold water pipes, condensers, valves, and pipe fittings. Stops damage caused by dripping water. Can be painted over when dry. Provides an excellent repair for wrap around-type insulation. Non-flammable when dry. For use in HVAC, refrigeration, industrial plants.

### 20912 Penetrant, Lubricant, Demoisurant, Protectant

Non-flammable, all purpose, non-conductive mechanic's spray. Penetrates through rust and corrosion to loosen frozen nuts and bolts. Displaces moisture in wet electrical systems. Leaves treated surfaces protected with residual anticorrosive film. Does not contain any chlorinated solvents. Safe around most plastic and paint. Includes extension tubes for easier application to remote areas.

### 72214 Metal Parts Protector

Flexible, semi-hard, dirt resistant, long-term, anti-rust and anti-corrosion film. Protects metals from exposure to weather, high humidity, chemical fumes, and salt spray. Excellent for protecting parts in transit or storage. Identification coding can be easily seen through translucent-amber coating. Can be easily removed when necessary.
