Description

This groundbreaking metal cleaner/polish provides outstanding oxide and soil removal characteristics combined with a clear, protective seal coating for long-term enhancement of numerous metal surfaces. Virtually any metal that can be hand-cleaned is ideal for use with this product: sterling silver, stainless steel, brass, copper, gold, bronze, etc. This product adds high gloss and luster to surfaces while cleaning away metal oxides, grease and oils, fingerprints, hard-water marks, smudges, dirt, and dust. The advanced protective seal provides a proven soil-repellent barrier to reduce further damage.
