

SUPERFILM® HYDRAULIC OIL 5000 G00388

[Download Product Image](#)

This product is a 10W40 multi-viscosity (multi-grade) type hydraulic fluid formulated for maximum service time and performance. It is designed to function over a wide range of temperatures and operating conditions in all types of hydraulic systems. It is formulated with high quality, high viscosity index, paraffinic petroleum base oils. It provides protection against rusting, corrosion and wear. The superior additives utilized in it result in 5000+ hours performance on the D-943 Oxidation test.
