GOOD GRIP SLIP-RESISTANT COATING - CLEAR (6-PACK) T91012SP

Hard, texturized, epoxy resin coating that quickly cures to a slip resistant rough grit surface. Aids in the reduction of slip and fall accidents. Unique aerosol contains special synthetic grit with no sharp edges. Available in several colors. One application lasts for months depending on traffic. For use in areas where water may accumulate: kitchen floors, steps, ladders, railings, and industrial plants.
