

TERAND

The Maintenance Professional's Choice

WHITE LITHIUM GREASE

99011

FOR USE BY:

- Automotive Repair • Bakeries
- Industrial Operations
- Hot Air Drying Operations
- Marinas • Aircraft Maintenance
- Packaging and Molding Operations
- Shipping Operations

An all weather, heavy duty, multi-purpose penetrating grease. Sprays as a liquid, creeps to lubrication point like an oil, then cures to a thick, water resistant grease. Provides non-staining lubrication that guards surfaces against rust and corrosion. Heat stable to 350°F. Excellent for many industrial and automotive uses.

FOR USE ON:

- Hoists • Threads • Rollers • Cams
- Slide Bearings • O-Rings • Conveyors
- Chain Drives • Fittings • Linkages
- Wire Rope • Ovens • Dryers • Gears
- Valves • Pumps • Winches
- Manifold Heat Valves

- A Liquefied Lithium Lubricant that Penetrates Into Gears and Mechanisms then sets up to a Thick Grease

- Contains No Chlorinated Solvents
- Long Lasting Water and Detergent Resistance
- Prevents Rust
